Traveling to Boston ~ **Hop on a Boston Duck Tour!** The Manchester- Boston express bus leaves right next to the Radisson Hotel arriving at South Station for a great day of site seeing and food. The fun begins as soon as you board your "DUCK", an authentic, renovated World War II amphibious landing vehicle. First, you'll be greeted by one of their legendary tour ConDUCKtors, who'll be narrating your tour. Then you're off on a journey like you've never had before.

You'll cruise by all the places that make Boston the birthplace of freedom and a city of firsts, from the golden-domed State House to Bunker Hill and the Fleet Center, Boston Common and Copley Square to the Big Dig, Government Center to fashionable Newbury Street, Quincy Market to the Prudential Tower, and more. And, as the best of Boston unfolds before your eyes, your ConDUCKtor will be giving you lots of little known facts and interesting insights about our unique and wonderful city.

And just when you think you've seen it all, there's more. It's time for "Splashdown" as your ConDUCKtor splashes your DUCK right into the Charles River for a breathtaking view of the Boston and Cambridge skylines, the kind of view you just won't get anywhere else.
