

COVID-19 PROTOCOLS

Below are the guidelines we are following for a safe and healthy event. Regulations & Restrictions may change depending on venue, city & state and may include all or some of the measures below.

SAFETY is our first priority. The entire event is designed for optimal safety.

BLOCKED SCHEDULING is offered in the Order you Prefer to Perform in. After you enter your routines on line, email in your Line up Order and any costume breaks you need.

SCHEDULING is set to minimize the amount of people in the venue and dressing spaces at the same time.

MOST STUDIOS will compete one at a time in their own scheduled time block and then leave immediately following their Awards.

STUDIOS with only a few dancers may be scheduled during the same time block as another studio with only a few dancers.

NO SPECTATORS or Limited Spectators will be allowed depending on gathering restrictions per venue and state. At this time, your are best to plan on 1 Chaperone per dancer, along with Studio Owner and any Teachers that would like to perform.

MANDATORY MASKS Everyone in the venue will be required to wear a mask. Masks are optional for dancers while they are performing, depending on venue/state regulations. Immediately after their performance, students go back into mask for their Awards presentation.

PERFORMANCE ROOM & DRESSING ROOMS will be refreshed between each session.

HAND SANITATION Studios are required to bring hand sanitizer for their dressing room .

TEMPERATURE CHECKS at the door may be required

NO FOOD or beverages are allowed in the venue.

SOCIALLY DISTANCED SEATING is required for students/ chaperone teaching staff.

WAIVER RELEASE is mandatory to attend (see attached)

LIVE STREAMING is offered to the best of our ability. If live streaming is not possible for any reason, the Final and Overall Awards will still be filmed and will be recorded and available to Studio Owners following the Step Up 2 Dance competition.

OVERALL HIGH SCORES 1 studio at a time event, times are blocked and Overalls are announced at the end of the event if the venue doesn't allow attendees to stay.
